

Five years in the making...

IN CELEBRATION OF AN EVENT unsurpassed in our history, the workers of Dumont Press Graphix extend to you an invitation to attend our
5th Anniversary Party
on the weekend of June 19th - 20th, 1976.

Unlike our previous birthday parties (there have been none), the festivities will be held in the afternoon and evening of Sunday, June 20th. We have chosen a site away from the creeping suburban meatball, on a farm secreted at the foot of the well-known Chicopee Ski Hill. Here the silence will be broken only by the sounds of freely floating frisbees, softly strummed strings and bats beating hell out of baseballs. Food will be provided by Dumont workers who will voluntarily starve themselves for 48 hours to build enthusiasm.

We hope that many old Dumonters and friends, both local and from out of town can attend and will be interested in joining the informal workshops planned for Saturday afternoon, June 19th. In order that we can arrange bed and breakfast, please let us know if you are coming.

Be there!

ALTHOUGH OUR FIFTH ANNIVERSARY PARTY is intended to be a social celebration, we would also like to take advantage of what may be a unique opportunity to discuss some of the broader problems arising from co-operative working situations, women's issues, the alternative media, community organizing, etc. with people who will be coming from across the country.

Many problems and questions arise in our day-to-day working with people. What can we do to be more effective in dealing with these problems?

Dumont has come into contact with a wide range of people in the past. How can we further serve to link these people together?

Perhaps there might be other ways of working together. What do other people in alternative working situations do?

To answer these questions and any others that may come up, we would like to hold a series of informal workshops on Saturday afternoon for anyone interested.

For additional information on any of the festivities, contact anyone at the printshop (97 Victoria Street North, Kitchener, or 576-2640), Ken Epps at 743-5682, Linda Lounsberry at 742-0888, Gary Robins at 742-2977, Brenda Wilson at 653-6896, or Ramblin' John Dufort somewhere in Saskatchewan.
