

MINUTES FOR THE MEETING JULY 7, 1975.

those in attendance were Mikes C & R (who arrived late) Murray Brenda Jane Ken Rosco (valiant chairperson) and Steve who arrived late from a hospital visit

1. Mike C. found a filing cabinet (3 drawers legal size with locks) he was ~~AI~~ allowed to purchase it and got it for \$45,00
2. The AUDIT has to be done again. It will require at least four shifts of overtime and should be done as soon as possible or Jane doesn't get to go away
3. Jesse wants to charge \$5.50/book because ~~is~~ bigger than first thought. Also because he is a capitalist and wants to make a profit. Wants 300 hard cover instead of 150 so new numbers will be 300 hc and 2700sc
We will check pricing when we get the new price from Reeve Bean
4. This was a long discussion of what OPIRG and dpgp want to do with their publishing efforts. such things as bringing together people who are not together analyzing the Canadian situation active searching for manuscripts etc. all with an editorial board to publish all sort of things eg. broadsheets, booklets etc. also with a shared distribution system with other interested groups. Ken Doug R. and steve will work on drawing up a proposal with opirg people outside of the shop
5. lots of work not so lots of people. Ken may come back in if we need him but as we have no need of 2 epps' we will have to decide after rosco and michael work out a schedule for all the work yet to be done, arrive, leave etc. Steve and Ken will work on the darkroom until steve and perhaps ken leave on July 21 for a riotous life on the far west coast.

I hope that was all - I lost track so additions are gratefully accepted.

Sec. Jane
