

GENERAL MEETING Feb. 23/76

Present: just about everyone.

- 1) Training new people.
m--New recruits will learn by having buddies, this discussion quickly moved into mass confusion and everyone changed their schedule.
- 2) Mike C. Would like not to continue doing the schedule.
--Doug E. will do the schedule for the next few months, and Charlotta showed an interest in doing it also.
--It was also agreed that a list of committees be draw up to see who are actually on what and who wants to be off, murray gets the pleasure of drawing up a list. It was also brought up that new people should probably stay off committees for a while until they master some of the production work.
- 3) Hot D asks for MONEY\$\$\$\$\$\$
--Doug would like 500 dollars of his loan paid back, which was heartily agreed to, and which has probably been done by now.
- 4) Eddie's MONEY\$\$\$\$\$
--The money that eddy owes to dumont will be written off the books, seeing as hes such a great shit, and for all the work he's done for us.
- 5) Summer work on the press and who's going to do it.??
--Ken and Charlotta will learn how to run the press from doug, so printing can be done in the summer when doug is not here.
--Also a list will be draw up by murray which people can mark when they will be here in the summer or when they plan to quit.
- 6) Moving the phone.
--Steve has been put in charge of moving the phone from its present position for some reason that alludes me at the moment.
- 7) Rent and our buddy Evans.
--It was generally felt that evans should reimburse us for lost work due to a lack of heat in the past few months, mike C. will write a letter to evans outlining this. Meanwhile evans has now written back to us saying in effect 'fuck you' those interested should read the letter.

8) Wages for Housework and copy machine.

--The wages for housework used the copy machine on the weekend and failed to pay for the cost of it. It was felt that they should have at least asked us if we were into supporting them by absorbing the cost of this little venture. It will be discussed with them.

9) Women's Place-Moving-want Red Van.

--The women's place is moving this week and would like to use the red van to do it with. It was brought up that only ducks could use the van and only for dumont business, which does not always happen. Someone will try to get the white van in working order so that they can use this to move in.
