

• GENERAL MEETING - MONDAY, SEPT. 29/75

PRESENT: Gary Sue Claire Dougs Mike c Brenda Murray Steve Ken Jane Bob  
Rosco was away and Mike r was visiting his mom and was a little late  
first topic of discussion was dumont tours to young journalists around the world  
the date has been set at Sat. ~~Sept~~ Oct 25th with murray and mike c and doug r  
hanging around running the hot dog concession. this is another proposed way to  
increase our income.

kk doing impartial judging. first prize is a free bfp tape second prize is a  
reeve bean tape and third prize is making your own tape.

kitch non commercial group will be able to use the shop anytime within reason  
simply by placing a toll free call ahead of time to find out conditions

union should segge come down and waste his time and some money or what? steve  
said that if 8 or 9 people showed interest then he should definitely come.  
there insued a long discussion on the practicality etc of the union then gary  
suggested tabling the discussion til whenever. it was suggested that the small  
group on monday could discuss active interest in the shop and also the possibility  
of an open shop and all other relavent material.

John Saafford wants us to realize the non ties of wccfs to the cpcml and to let  
him and other wccfs'ers do non commercial typesetting in the shop. he is to bring  
in some info along the lines of what they will be printing. this brought about  
the discussion of how the stuff in itself was innocuous enough but the meetings  
that the material was calling people for was of dubious intent. (and felt to  
be definitely cpcml dogma etc) so people should go th the next meeting and  
report back. and then we will tell them no again.

publishing & distribution meeting to be decided in the log book.

• steve is coordinating the catholic school board directory.
