

GENERAL MEETING OCTOBER 27 / 75

Attendance record: everyone but vacationing Mike R.

\* new president-3 signing officers responsible for finances in the event of bankruptcy. payment made in this order if we do go broke class b shares, common shares, chatel mortgagges etc.

Ken Epps will be secretary and Brenda Wilson will be pres. The new firm name is Epps, Epps and Wilson.

\* reeve bean/processor-Steve Zizma will undertake to find out about casting new rollers clamps springs etc.

Bob will throw a hard cover Schwattz book at reeve bean should they dare to mention again their brown copy from 3 months ago.

Then a discussion on a new processor for darkroom that will also effectively process paper plates.

\* letterhead-once more the deadline is next general meeting if nothing is submitted then we will use the old letterhead and change it slightly ( which sort of sounds like a new letterhead but what with the strike who cares?)

\* job co-ordinators-what the hell are they anyway and exactly what are they supposed to do and what really does qualify for one of those people?

all non-run-of-the-mill-jobs qualify. Whoever takes it in will find a co-ordinator. Body Politic is a n-r-o-t-m-j whereas Rev Roy Noll is not a n-r-o-t-m-j.

they will:

check for quotes with a contractor

handle paper and printing

coordinate production

fill out docket sheet properly or see to it that someone does

handle customer proofing contact etc.

Jane will type all that up big so people will know

\* Expansion-what to do with Moir's and Gerry's space. It will cost approximately \$175 per month those interested will meet with themselves and then with others to discover who and how and why and what are interested. Brenda arranged a meeting of those interested among Dumont.

\* radio-Gary wants his radio back to help him out at home. Bob will look into a replacement.

PRIZE COMMENT OF THE YEAR GOES TO MURRAY FOR SAYING:

Gary could take his radio if he thought he could carry it with two broken arms.

\*book barn-Mark has folded and skipped the country it seems. What to do Gary and Brenda will see Brian about procedures regarding collection of debt.

We must keep hassling for our money CREDITØR MANAGER TAKE NOTE.

\* h crapo-henry has 700 class b shares and (at \$5 each) would like his ball back. although he has been childish in some ways about his measly \$3,500.00 will we be adult and see if we can arrange to pay him in installments. Legally he cant ask us to buy them back but Brenda and Rosco will talk to him about us buying 7 shares a month for the next 8 years. How can he loose on a deal like that?

\* terry moore-Ken personally agrees with terry . We think that's great Ken. KEN will write a shorter more immediate analysis. we still would like final clarification on what Terry writes

THE END
