

AUGUST 30, 1976, GENERAL MEETING

Those attending were: Claire Rosco (the great wanderer recently returned)
Ken Doug 2 (count 'em) 2 Mikes Jane and the newies Bill and John H.

AGENDA:

1. John Dufort and his astounding dope habit
2. no more pay cheques, back to cash.
3. Peter Lang and a job
4. Bob's note
5. teaching the newies

In typical Dumont fashion we were all in jeans and ragged tee shirts and we did the agenda ass backwards. (sort of)

1. John D. was busted and can't come into work until after his pre trial on Sept. 27. OH MY GOD, WHAT SHALL WE DO? We decided to ask Gary if he could work in Sept. as John won't really be able to come as its a long ride from far away Sask. A letter will be sent to John telling him we are anxiously awaiting him and also a blank letterhead in case he and his lawyer think it will benefit John. Wait we won't send him a letter. No, on second and third thoughts we will and Ken will do it.

3. Peter Lang and his search for winter employment. we are to write him and tell him all kinds of things some good and some not so good. Jane will do this and is not excited at the prospect as she is sure that she will get something wrong in the letter as there is a lot to tell him but she will try.

2. Paying by cheque has FAILED, FAILED, FAILED. It has turned out to be more time consuming for all involved and too much of a hassle for extra account. CASH has won again.

4. We will no longer ask people for OHIP payments.

5. teaching will be done in the buddy fashion. Bill and Rosco then Claire or Mike R. John H. and Ken.

ASIDE: at camp Terrina sang a song about buddies that went something like this:
You and me, we're going to be buddies. You and me, we're going to be pals
they sang it twenty or thirty times over and over loud and soft and it was boring.
